SUBJECT: **Remedial Investigation Report Addendum**
Rose Chemicals Site

Dear Steve:

Attached is Addendum #1 to the Report on the Remedial Investigations of the Rose Chemicals Site, Holden, Missouri. This Addendum covers the fourth round of groundwater sampling which was performed at the site. The Addendum reports on the procedures followed for the sampling, the results of the analyses, the implications of those results, and the quality assurance/quality control evaluations performed. We understand that this is to be attached to and made part of the RI Report.

Very truly yours,

Jay Pruett
